

Humber Elementary Family Literacy Week Jan 27-31

Family Literacy Day is a national event held annually on January 27 to raise awareness of the importance of reading and literacy-related activities for families. At Humber Elementary, we will be celebrating by having guest readers visit classrooms throughout the day.

Taking time every day to read or do a learning activity with children is crucial to a child's development. Recognizing that literacy is much more than just reading books, the Humber Publishing Company created some 15 minute activities for you to engage in as a family next week.

Here is a list of suggested fun activities for Family Literacy Week:

Giant Literacy Collage If possible, would each family send in a picture of themselves doing one of the activities. The pictures will be part of a Giant Literacy Collage that will be displayed in our front entrance.
